

ACKNOWLEDGMENTS

This report represents the contributions of many people. We acknowledge SWAN Technical Committee members Ian Martin, Shelley Hall, Troy Hamon, Judy Putera, and Page Spencer. Wendy Bryden, Mike Tetreau, Tammy Olson, Joe Miller, Bill Thompson, Amy Miller, Laurel Bennett and other network park staff assisted by assembling information or attending meetings. We also thank Bruce Giffen, Joel Cusick, Blain Anderson, Nancy Deschu, Janis Kozlowski, and other staff of the Alaska Regional Office; Central, Arctic, and Southeast Alaska Network staff; and the many guests from other agencies and universities who attended and participated in scoping workshops. Special thanks to Thetus Smith for editing this report and to Alaska Region I&M Coordinator Sara Wesser for the many roles she played in assisting this network.
