A STARTER TOOLKIT FOR BYWAY LEADERS

1 PROGRAM OVERVIEW

2 INTRINSIC QUALITIES & THE BYWAY STORY

3 PUBLIC & COMMUNITY INVOLVEMENT

4 PLANNING, ACTION & NOMINATION

## PART 2: INTRINSIC QUALITIES & THE BYWAY STORY

Welcome back. This section focuses on beginning the byway planning process. Learn about the six intrinsic qualities, the byway story, and corridor inventory and identification. The five Learning Objectives below explain what you should be able to do after completing Part 2.

### LEARNING OBJECTIVES

#### 1. The Six Intrinsic Qualities

Explain each of the six intrinsic qualities: archaeological, cultural, historic, natural, recreational and scenic.

#### 2. What Is A Byway Story?

Recognize what a "byway story" is, how it supports the visitor's experience, and how it can serve as an economic development tool.

#### 3. Byway Inventory & The Byway Story

Explain the purpose of the byway inventory and its relation to the byway story.

#### 4. The Inventory Process

Describe the inventory process, including important tools, community resources and tips.

#### 5. Identifying The Byway Corridor

Express how to identify the byway corridor

# Part 2: Intrinsic Qualities & The Byway Story

- 1. The Six Intrinsic Qualities**
2. What is a Byway Story
3. Byway Inventory & The Byway Story
4. The Inventory Process
5. Identifying The Byway Corridor

# Part 2: Intrinsic Qualities & The Byway Story

## 1. The Six Intrinsic Qualities

### **1. *Archaeological (Trail of the Ancients)***

2. Cultural

3. Historic

4. *Natural (Dinosaur Diamond & Trail Ridge)*

5. Recreational

6. *Scenic (San Juan Skyway & Top of the Rockies)*

*Because scenic quality is so subjective, it is helpful to base findings on commonly used scenic evaluation concepts.*

# Part 2: Intrinsic Qualities & The Byway Story

## 1. The Six Intrinsic Qualities

1. *Archaeological (Trail of the Ancients)*

2. Cultural

3. Historic

4. ***Natural (Dinosaur Diamond & Trail Ridge)***

5. Recreational

6. *Scenic (San Juan Skyway & Top of the Rockies)*

*Because scenic quality is so subjective, it is helpful to base findings on commonly used scenic evaluation concepts.*

# Part 2: Intrinsic Qualities & The Byway Story

## 1. The Six Intrinsic Qualities

1. *Archaeological (Trail of the Ancients)*

2. Cultural

3. Historic

4. *Natural (Dinosaur Diamond & Trail Ridge)*

5. Recreational

6. ***Scenic (San Juan Skyway & Top of the Rockies)***

*Because scenic quality is so subjective, it is helpful to base findings on commonly used scenic evaluation concepts.*
